Juxtaposition/Introduction Scene

(CU) Mallory rubs her eyes and reaches to grab her phone. (MS) Reyna looks over to a picture of his ex on the bedside table. (MS) Reyna puts a pillow over her head as a second alarm goes off. (CU) Reyna cries a bit. (CU of Mallory's Phone; Text is displayed on the right of the screen.)

Mallory (Text): Good morning sweetie! I can't wait to see you today. *Lots of emojis.*

(CU) Grey is reading a book.

Levi (Text): Good morning beautiful. *Lots of emoji hearts, kissing faces, and smiley faces.*

(CU) Grey feet hitting the floor enthusiastically. (LS) Reyna rolls out of his bed. (MS) Mallory opens the door to her bathroom. (OTS MS) Grey brushes her teeth. (CU) Reyna splashes water on his face. (Pan MS R to L) Mallory closes the door to her bathroom mirror which shifts to (MS) Grey struggling to put pants on over her tights.

(MS) Reyna looks at all his suspenders trying to figure out which ones his ex would like best. (MS/CU) Reyna puts on suspenders. (MS) Mallory puts on a necklace. (LS) Grey puts on a jacket which covers the camera screen and fades into the next clip.

(MS) Mallory grabs cereal from the cabinet. (MS) Grey pours milk into her bowl. (CU) Mallory puts a spoon in the bowl. (Tilt CU of the bowl to Grey) Grey drinks the cereal like a glass of

water and slams it on the table. (CU empty bowl tilt to Reyna's face) Reyna doesn't eat anything and simply stares at the bowl.

(Pan LS L to R) Grey's dog runs to Grey as she's about to leave. (ECU of Auggie smiling) Auggie is happy and barking.

(MS) Auggie barks and runs around.

(LS) Reyna slams the door to his house. (MS) Mallory opens the car door. (CU) Grey turns on the car.

Location Change: School Parking Lot

(Panning LS R to L) Reyna drives into his parking spot followed by Mallory. (LS/CU of Phone; Text to the left of the phone.) Grey is sitting on top of the Shady Mom Van #2 typing out a text to send to her crush, Poppy. (CU) Reyna is leaning his head on the steering wheel of Stuart. (CU) Mallory sad because Levi hasn't texted her back in two hours. (MS) Both car doors open simultaneously; clone. (LS) Mallory walks in the center of the road towards Grey and Reyna. (CU) When she sees Mallory and Reyna walking over, she deletes the text and starts reading. (MS) Grey looking down at Mallory and Reyna.

Grey: What's up losers?

(CU) Reyna steals Grey's book. (OTS MS) Reyna smacks her with it.

Grey: Hey! What was that for?

Reyna: Who's the loser now?

Mallory: Come on, you should have known you had that coming.

Grey: I suppose you're right. But I'm also a loser with chocolate.

Grey takes a bar of chocolate from behind her. Reyna instantly snatches it out of Grey's hands. Grey jumps off the Shady Mom Van #2, the name of her car, and chases Reyna. Reyna throws the bar of chocolate at Mallory as he takes foam swords out of his car trunk.

Reyna: To the death.

Grey: You stole my chocolate. Prepare to die.

Reyna: You could say it was death by chocolate. Ehhhhhh!

(MS) Reyna looks smug. Choreographed fight scene. (MS) Poppy pulls into her parking spot and is walking to the school. Whilst the fight is happening, (CU) Grey hits Poppy with her sword. (MS Slowed) Poppy falls to the ground.

Mallory: Grey, you stupid human!

Switches between (OTS MS) Grey being all in Poppy's face and (CU) Grey's Face. (MS) Mallory and Reyna grimace as Grey continues to talk to Poppy.

Grey (to Poppy): *Rants.* Are you okay? I'm so sorry! I didn't see you but that's not really an excuse because I hit you with a foam sword that you were clearly trying to avoid and I'm talking aren't I?

(MS) Mallory and Reyna nod.

Poppy: I'm fine, really. It's okay.

(MS) Poppy gets up very quickly and (OTS LS) runs away down the hill to school.

Mallory: That was her, wasn't it?

(CU) Grey nods and grabs the back of her hair looking even more awkward than before.

Reyna: Oh sheet.

(MS) Holds up Grey's book and hits her upside the head with it.

Grey: Ow! *Grabs forehead and yelps.* It wasn't that bad was it?

Reyna: It wasn't bad at all. You just hit her with a bloody styrofoam sword and then got all up in her face apologizing for something that could have been avoided.

Mallory: Shut up Rey. You're not making this any better.

Reyna: That's the point.

(CU) Reyna smugly smiles. (CU) Mallory looks annoyed with Reyna. (CU) Grey looks awkward. (LS) They all realise how stupid they all have been and (OTS LS) walk to school.

Grey Says "I Love You"

Poppy: Grey I... I... I don't know how to say this. I... I really like myself a lot better when I'm around you. And I know that may seem selfish but I can't control the lack of anxiety that results from being your best friend. I just... I love you. And that sounds ridiculous I know but you're the chlorine to my sodium. And I want to be there for you because you've always been there for me. I... I'm in love with you.

Grey: I... I... I need a minute to think. I'm sorry I just I need to process this. (*Gestures with hands between each other*).

Grey walks away from Poppy who is in the bird sanctuary. Juxtaposition. Grey walks to her car to think while Poppy just sits and waits at the tree she and Grey were sitting on in the Bird Sanctuary. Grey has to decide whether to continue in the manner Poppy and she are going. She knows she loves Poppy but she's not sure she can admit it to herself. Grey looks at a bunch of photos of Poppy and her on her phone. She decides then to admit her feelings back to Poppy. Poppy grabs cookie butter from her backpack. When Grey arrives, Poppy holds out the cookie butter and is attacked in a hug from Grey.

Grey: I love you too, dork.

Grey leans in and kisses Poppy. Poppy drops the cookie butter and kisses/hugs Grey back.
